Last November the PTA had the privilege of inviting **Stuart Wilson**, founder of **ZestLife** to give an informative talk in the school during 'Wellbeing Week' parents who attended gave excellent feedback on his practical and informative advice.

The PTA would like to give you the opportunity to recommend professional speakers or a member of a relevant organisation that would be willing to attend the school and give a talk that would be advantageous to the wellbeing of students and/or parents. Please email the PTA if you have any suggestions.

Wicklow sings In TCG

For one night only

Saturday 11th March, 7pm

Not to be missed!

Wicklow Sings will see over 400 people come together to make over 14 choirs from many parts of Wicklow.

This is the fifth year the festival organisers, Dara Mac Mahon and Jamie Lyon have brought this event to Wicklow. Speaking about the event, Dara Mac Mahon said: "We started this community arts event in 2016 and it has grown from strength to strength since. We are so delighted to be back after having to take the last three years off due to Covid restrictions. The 14 Choirs participating love entertaining and are busy preparing for their return to the big stage. We are pleased to be partnering with the 'Fields of Life' this year alongside the TY students from TCG who are fundraising to support their trip to Uganda.
